Executive Director  
Dan Maguire

To Robin Rexroat & The Staff Of Exercise Specialties Inc.

Our Ymca in Port Angeles has recently added a new Fitness Center. Nine months before we started this project I contacted ESI and asked for their input as to flooring, equipment, and any suggestions they might have to help the expansion go smoothly. My experience in working with them has been very positive and pleasant. The staff is very friendly, and I can call on them at any time for help. I have worked with many exercise Equipment companies in the past sixteen years, and I would highly Recommend ESI to anyone who is updating their fitness facility.

A handwritten signature in cursive script that reads "Linda Brisbin".

Sincerely, Linda Brisbin(Fitness coordinator)
