RE: Robin Rexroat
Exercise Specialties

To whom this may concern,

We have had the good fortune to purchase nine Precor Treadmills and three Precor Elliptical trainers from Exercise Specialties and their representative Robin Rexroat over the past three years. We are please with the product and with the ability of Robin to fully and competently represent this company and product.

We have frequently consulted with Robin on fitness and equipment issues, he has been responsive, and accurate in the information requested. We anticipate additional purchases from Robin and Exercise Specialties in the future and are pleased to be associated with this knowledgeable representative.

Please feel free to contact me at 425-313-3203.

Sincerely,

John K. Murphy
Deputy Fire Chief
